

## **Jesus Rocks: Table of Susannah – W32**

**Jesus: He will rock you**

**Jesus: He will rock you**

**Singing..... Jesus: He will rock you**

**Jesus: He will rock you**

Jesus, he is a poor man, rich man, beggar on a street, gonna be a great man one day

He gave blood for our life ..... Forgiving our strife

Endorses the love between husband and wife.

**Singing..... Jesus: He will rock you.**

**Everybody..... Jesus: He will rock you**

Sacraments are outward, inward, visible , invisible signs of grace (oh yeah Lord)

We got bread from the plate .... Wine from the grape

Cleansing each soul to make us great

**Singing..... Jesus: He will rock you.**

**Everybody..... Jesus: He will rock you**

Ministry is ordained, reframed, priesthood is for all but some make it a special task

We got oils to heal ..... Water to seal, Absolution and

Forgiveness just to keep us real

**Jesus: He will rock you**

**Singing..... Jesus: He will rock you.**

Sister, you're a high priest, mother, a discoverer, You are gonna be a fine Saint some day

You've got God in your face ..... A spirit-filled grace

All you gotta do is share it over the place

**Singing... Jesus: He will rock you**

**Jesus: He will rock you**

**Jesus: He will rock you**

**Jesus: He will rock you**

**(Tune: Queen, We will Rock You.)**
